Notes from the Editor

When did you see your first swallow of the year? A pair were swooping around, with their familiar chattering call, on 9th May. That afternoon a great number had gathered in a barn to pay tribute to Bob Foster and hear his sons speak so fondly of their memories of family time. We will all have our own special memories of Bob and be grateful for his contribution to village life - from the carol wagon to last year's Coronation Beacon. Bob was quick to turn out in times of need, on the look out for field fires in the heat of summer and was rescuing stranded motorists in last October's floods.

Bob was key to our Echo production team, running the collator machines. Wendy and John kindly stepped up last time, needing only a few pointers to churn out the 260 copies of the Echo and 800 copies of the Link. Marion joined in too while Amber, Rachel and Wendy very kindly helped with deliveries. We mustn't forget to thank Jennie who does all that printing and all our other helpers in production and delivery - Ann, Annie, Ian, Joyce, Linda, Mandy, Margot, Rosemary and Sonja. Special mention also to Andrew who delivered the Echo for close to 40 years.

There are lots of ways you can make a difference to village life, regularly or when needed. You will find examples within these pages - volunteering in the café, helping at the fete, organising the quiz nights, maintaining the new herb garden or becoming a parish councillor. Helpers to keep the churchyard tidy and fresh ideas for fundraising would also be most welcome.

That will keep you busy!!

Best wishes, Tish

Badingham Shop & Café

Café email: Badinghamshopcafe@gmail.com

Facebook: Badingham Village Shop and Café

Website: badingham.org.uk/Badingham-cafe

We have had a busy time in the Café already this year. We continue to welcome new visitors who quickly become regulars to enjoy the conversation, teas and the delicious Paddy and Scott coffee, not to mention the cakes and scones, and some who find that volunteering can be a fulfilling activity.

EASTER HAMPER

In order to support the continued running of the project we organise events throughout the year. Our first this year was the Easter raffle of an amazing Easter hamper stuffed to the brim with high quality seasonal treats. Our lucky winner this year, Andrew Mersom, was a very deserving recipient of this bundle of chocolate (not sure what his GP would say, though). Thank you to our generous donors for your fantastic contribution.

CHAMPAGNE BRUNCH

The café team thought they would give a little switch up to the annual spring brunch and it seems that a little Champagne can make a delicious lunch extra special. A group of 20 + joined the 6 mile walk and felt they had earned every mouthful of the brunch created by our own Wendy Birtel whose smoked carrot blinis had us all fooled into thinking it was salmon. Keep your eyes open for the autumn event to be announced later in the year.

CHAMPAGNE RAFFLE

We will be raffling the left over bottles of fizz so if you want a chance to win something special for the summer come along and grab a ticket.

BIRD WATCHING WALK

Wendy Bainbridge will be leading a bird watching walk on Thursday 20th June. No need to book, just turn up outside the café at 10am for a short local walk identifying our local birds and then return to the café for coffee and cake.

FRENCH EVENING 12th July

This event has become a firm favourite with our customers. Once again our talented chef Thierry will be conjuring up something special for us. We have a limited number of places and every year we have disappointed punters who miss out. We endeavour to make this process as fair as possible so this year we are trying a random selection method of yet more raffling (is that a word?). Get your names on the list now ready for the draw on the 14th June - either via café email or in person at the café. Winners will get reservations for 2 people .

SUNDAY TEAS

This is always a popular event and as always there will be an array of fabulous cakes and cream teas. Hopefully the weather will be kind for the two afternoons on offer:-7th July and 1st September 3-5p.m.

VOLUNTEERING

We are always on the look out for new volunteers to join our friendly team. You can help us by offering to bake a cake of your choice. Alternatively, why not lend a hand in the café on a Wednesday or Thursday morning - email the café on the address at the top for more details.

BEER & CIDER FESTIVAL

We can't wait to welcome you all to our beautiful beer garden for the White Horse's first Beer & Cider Festival on the 8th & 9th June.

Ian is stepping aside from organising the quiz nights, after taking over from Andy and Geoff around 15 years ago. Many thanks go to Ian and Margot for their sterling work arranging and publicising these evenings which have entertained so many and raised thousands for local good causes.

The quiz continues to be a popular monthly event. Six or more teams regularly battle it out for the coveted trophy with participants taking it in turn to set the questions. If you would like to discuss taking on Ian's role, please call him on 638770.

BADINGHAM VILLAGE HALL

The community herb garden has been planted and we are finishing off the work to get this going over the next few weeks. If you would like to help with maintaining this space please contact martintclark@gmail.com.

This project is a partnership with Enterprise Badingham and supported by a grant from East Suffolk Council. We had donations of plants from a local supplier and Kindlewood supplied the woodchip mulch. Thanks to all of them and all the volunteers who made this possible.

The **Field to Fork** grant links growing and eating and we will be having a launch day on **Friday 14th June** when we hope you will be able to join us for a glass of Pimm's and herby nibbles.

Not only will the garden be opened as a village resource but it will also promote the first in a series of village recipe booklets using herbs which you could cut fresh from the community garden.

BADINGHAM: theft of two electric bicycles, electric garden equipment and power tools. Taken on 4th March 2024 from a farm on the A1120.

Please make sure your sheds are locked. Lawnmowers can be chained to the floor with a strong padlock. Hopefully the police were able to find forensic evidence. This can only be done through the police.

BADINGHAM: 18th March 2024 – a 26 year old male entered a house and the police were called. I have been asked to advise you to keep your doors locked, even when you are home, for your own safety. We do not want this to happen to anyone else.

PAVEMENT PARKING: a mobility scooter turned over and its rider was injured while trying to pass a van which was obstructing the footpath along Low Street towards the White Horse. When you or your workmen are parking, please consider that people in wheelchairs or mobility scooters or with a pram or pushchair often need the full width of the footpath.

NEIGHBOURHOOD WATCH: In 1999 a message was given by Alun Michael of the Home Office at a NHW Annual Conference: “The Police and Local Authorities are gearing up for solid crime fighting partnerships”. He went on to say that NHW groups should play a very active role in local crime fights strategies and provisions. The time is right for it to show its effectiveness in making communities safer. But, this can only happen if we are supported by the village and parish. This brings to mind that we could do with more coordinators to report crime and share alerts. It is an important but easy role.

AIRGUN OWNERS: May I remind owners of air rifles, air pistols and air guns that the use of self-contained gas/air canisters is prohibited. These types of weapons include guns made by Brocock and Ubenti and are sometime known as tandem air cartridge guns.

SCAM: Tue 16th April – Security Update Alert. Reading through the scam letter and looking at page 2 the typing is very pale and a photo of a man... was it him? How did he get G's email? We did not reply – I'll get rid of it in due course.

There are many scams going about – one person had her son's identity taken and photo also mobile phone number and wanted thousands of pounds. Please, just delete if it comes on your phone or email.

ROADS REDEMPTION: Under a pioneering scheme in the South West, offenders will learn to repair potholes, overseen by the Probation Service. Wonderful idea to pay back the community and learn a trade.

STAMPS: The Border Force has promised to crack down on fake Royal Mail stamps to stop counterfeits crossing international borders and entering Britain. Victims are paying a £5 penalty to collect their post.

A Home Office spokesman said it does not tolerate the sale of illegal products including stamps. It will work closely with law enforcement partners to share intelligence. It would be wise to buy your stamps from a Post Office or supermarket.

ACTION FRAUD: Never assume a phone call is authentic just because someone knows basic details such as your name and address. Do not start a conversation. If you have suspicions, put the phone down. If you are concerned that you have been persuaded to give out private information, call Action Fraud on 0300 123 2040.

Finally, please remember the advice I have given you all. Look after yourselves and stay safe.

Sonja

FRAMLINGHAM LIBRARY NEWS:

Spring into Summer!

Thank you to everyone who has attended events and activities at the library to support our fundraising, we now have over £6K but still a long way to go. We are delighted to be supported by Pop Chorus who are going to take over the library on Saturday 15th June.

There are a couple of other new regular events starting. One is 'Street Meets' with PC Stefan Henrikson, part of the Community Police Team for Framlingham. Look out for the posters with the full set of days and dates. We also have a new group called 'Fram Writers' facilitated by Russell Webb; this is a workshop type environment for new and experienced writers to support each other in their writing endeavours. We are restarting our Library Larks sessions 10:30 on Thursday mornings for Rising 5s. We also hope to run a regular Home School Group and M-Powered [Menopause and Peri Menopause] Group. Contact the library for more information.

If you know of any artists or groups of artists who would like to put on a show in our gallery on a commission only basis we have vacancies during the coming year for 4-6 week blocks.

Summer isn't far away so now is a great time to express an interest in volunteering to support the Summer Reading Scheme. Pop into the library or drop us a message via our Social Media channels.

Dates for your Diary:

Robert (Bob) Foster

Bob's parents moved from Essex to Red Barn Farm with their five children in the early 50s, just before my family moved to Colston Hall from India.

I recall one Sunday morning when my parents and I were at St John the Baptist church. Bob, his parents and siblings walked in – a small boy in shorts. This was the first time I met Bob and I got to know the family well.

Bob found his faith in our beautiful church. I can remember him taking the collection for the first time. He would go on to be a regular bell ringer, PCC member and church warden. Bob also served on the Community Council, was a NHW coordinator and for many, many years was a Parish Councillor. He was very knowledgeable about Badingham and the parish and did so much for the community.

Whenever asked for advice, Bob would first think carefully then came a straightforward reply – always right.

Bob has left a tremendous legacy – an example to us all! Nothing was too much trouble – he was there to help and pleased to do so.

We have only to look around the village for reminders of Bob including the lovely iron seat on the ground cleared opposite the pub and the gate to the community gardens.

Do they ask the place where you travel to
These hearts that are harrowed by care?
It lies afar between green valleys,
Bright flowers, trees and mountains are there
A God and his angels will greet you
Farewell, my good friend, safe journey

Sonja
